

3.3 Optional Units

No	Name	Model	Remark
1	Footswitch	971-SWNOM	
2	DICOM module	DICOM 3.0	
3	ECG module	/	The ECG module contains the relevant hardware and software, as well as ECG leadwires. ECG lead part number: AHA: 0010-20-12126 IEC: 0010-20-12127
4	HPRF module	/	

3.4 Supported Peripheral Devices

No	Name	Model Recommended
1	B/W video printer	Sony UP-897MD Mitsubishi P93W
2	Color video printer	Sony UP-20; Mitsubishi CP-910E
3	Graph/text printer	HP DeskJet 5652 HP DeskJet 5650 HP DeskJet 3820 HP DeskJet 1280 HP DeskJet 6548 HP DeskJet 6848 HP DeskJet 450 HP Business InkJet 1000 HP Business InkJet 1200
4	VCR recorder	Sony SVO-9500MD2

⚠WARNING:

DC-6 complies with IEC60601-1-2:2001+A1:2004, RF emission meets the requirements of CISPR11 Class B. In a domestic environment the customer or the user of DC-6 should assure that it is connected to Class B peripheral equipment; otherwise the system may cause radio interference in which case the customer or the user of DC-6 may be required to take adequate measures.
